

ABOUT ME

Hi! My name is Molly Rahm and I am a graphic designer based out of Olympia, WA. I am originally from Helena, MT and have lived in Montana for most of my life, although I wouldn't consider myself your stereotypical Montanan. Growing up, I did everything I could to get out of taking art classes, which is ironic now. I joined the yearbook crew in highschool and was introduced into the world of graphic design and the rest is history.
